Zambia

**Overall Risk Score:** 55

**Risk Level:** medium

This score is a composite of the four domain scores discussed below, which are weighted and combined to produce the overall country risk score. Each country is given a score from 1 to 100 for each domain and for the total bribery risk. A higher score indicates a higher risk of business bribery. Assessments of whether a given domain score is “good” or “poor” are made relative to all other jurisdictions within that domain.

1. **Business Interactions with Government:** Zambia receives a medium score of 58 in this domain, based on a medium degree of government interaction, a medium expectation of bribes, and a high regulatory burden.

2. **Anti-bribery Deterrence and Enforcement:** Zambia receives a poor score of 67 in this domain, based on a low quality of anti-bribery dissuasion and a medium quality of anti-bribery enforcement.

3. **Government and Civil Service Transparency:** Zambia receives a medium score of 51 in this domain, based on poor governmental transparency and good transparency of financial interests.

4. **Capacity for Civil Society Oversight:** Zambia receives a medium score of 46 in this domain, based on a medium degree of media freedom/quality and a medium degree of civil society engagement.
